

Getting started with the Libby app

The free Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library. Libby is available for Android, iOS, Windows 10, some Chromebooks, and in your browser at libbyapp.com.

Note: If you have a device that's not compatible with Libby, you can use the OverDrive app to borrow and enjoy digital titles instead.

Get started with Libby

STEP 1

Install the Libby app from your device's app store.

- [Apple App Store](#)
- [Google Play](#)
- [Windows Store](#)

Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

STEP 2

In Libby, follow the prompts to find your library and sign in with a valid library card.

STEP 3

Browse your library's collection and borrow a title.

STEP 4

Borrowed titles appear under *Shelf > Loans* and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your **Loans**, you can:

- Tap **Read With...** to choose where you'd like to read the book (Kindle or Libby), then finish sending to Kindle (U.S. libraries only) or start reading in Libby.
- Tap **Open Audiobook** or **Open Magazine** to start reading or listening to that title.
- Tap **Manage Loan** to see options like **Renew** and **Return**.
